2009 Livestock Interview Finalists

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as a young person. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a *positive* form of youth development.

Interview Finalists will receive a polo shirt, donated by AgStar. Interview Winners will receive an embroidered director's chair, sponsored by Minnesota Livestock Breeders Association.

Congratulations to the 2009 Beef Interview Finalists and Winners!
