Come Golf With Us

The Minnesota 4-H Foundation Golf Classic is an opportunity for businesses and individuals to help Minnesota youth see their potential by providing **support for Minnesota 4-H programs**. While at the tournament you will have the opportunity to meet and talk with young people who participate in 4-H programs around the state.

Learn from Youth About 4-H

4-H lets kids try new things, learn new skills and express themselves through fun hands-on activities. Working on projects helps connect kids with their friends, families, communities and the world. **4-H helps kids gain confidence** and develop life skills that will help them be successful.

4-H Clubs are open to all kids, kindergarten through one year past high school, whether they live in cities, towns, or in the country. 4-H welcomes boys and girls from all backgrounds. Only in 4-H can kids experience such a wide-range of quality programs by University of Minnesota Extension Service staff and trained volunteers.

Minnesota 4-H Membership

- 215,000 children participate in programs across the state
- 11,000 volunteers help make 4-H such a rewarding experience
