**NOTE TO FAMILY**

**Ownership Rules of 4-H Meat Breeding Doe Project:**

Animals exhibited must be owned by the member, member's family or leased by agreement (only Breeding animals may be leased - if leased, complete information on back of page). The family includes the 4-Hers parents or guardians and siblings living together as a family unit. The definition of family includes an extended family where the goat may be owned by grandparents with the 4-Hers parents actively involved with and working on the farm. This ownership affidavit or the leasing form must be submitted to the County Extension Office/Regional Center prior to May 15. Breeding Doe kids born April 1 – May 15 may be added until June 1.

**Leasing Program:** Breeding meat does may be leased. Leased breeding dairy and/or breeding meat animals must be recorded on the reverse side of this form. Leased animals must be identified by May 15. If a doe is ID'd and leased before her first freshening, when the lease expires she may return to the lessor's herd and be shown by the lessor's family. The doe needs to be ID'd on the family form by the lessor and ID'd on the lease form by the lessee.

**Identification Details:** All breeding does must be identified with a unique tattoo in the ear or tail web. Animals being shown at state fair must carry the same identification all the way from identification/weigh dates to state fair. Be sure to follow your county's rules as to eligibility of animals and number of animals that can be identified per 4-H'er.

**Birthdates:** Junior Meat Breeding Doe born April 1-May 15, 2009; Senior Meat Breeding Doe born January 1-March 31, 2009; Yearling Meat Breeding Doe born in 2008 (not kidded).

**Note:** Beginning weights are not required for State Fair; some counties may require weights to calculate rate of gain.

**Animals identified in previous years must be Re-Dated every year!**
